Skyline CAP Selects Housing Director

New Housing team will expand outreach to serve more of those in need

MADISON, VA – Skyline Community Action Partnership, Inc. is pleased to announce new additions to its housing team, which is responsible for administering the Housing Choice Voucher Program on behalf of the U.S. Department of Housing and Urban Development (HUD) in Greene, Madison and Orange counties and providing outreach and counseling to first-time homebuyers, renters and homeowners.

Rachel Henderson has been named Housing Director and is responsible for management oversight of the agency's housing program, including the coordination, implementation and monitoring of the Housing Choice Voucher Program. Henderson has a background in counseling, construction and business management, and has served in a variety of roles, including recreational and behavioral counselor for at-risk youth, carpenter, and business manager. She has a Bachelor of Science in Business Management and is currently pursuing a Master of Science in Business Administration, both from Western Governors University. Henderson's new role was effective August 13, 2018.

"Skyline's housing programs offer a level of stability that helps move our clients toward self-sufficiency," said Rachel Henderson, Skyline CAP Housing Director. "I am honored to be selected for this role and to be part of a collective effort that is working to change people's lives."

Jack Campbell joined Skyline CAP earlier this year as Housing Quality Standards Inspector and is responsible for ensuring that the units leased by participants of the Housing Choice Voucher Program meet housing quality standards. Additional staff include two new housing counselors, Rosemary Lysczek and Lauren Taylor, who will work with residents to help them obtain and maintain safe and affordable housing.

"We are continuing to look for ways to expand our outreach, including playing a role in providing affordable workforce housing," said Fran Lavin, Skyline CAP Executive Director. "This team brings a level of expertise that is necessary to achieve this growth."

Skyline's housing programs are operated out of its Greene County office located in Stanardsville, Va.
