

ANNUAL IMPACT REPORT

FISCAL YEAR 2024-25

ABOUT US

Skyline CAP is the designated Community Action Agency serving Greene, Madison, and Orange counties and is part of a statewide and national network working to reduce poverty and promote self-sufficiency. Through education, housing, and economic opportunity programs, our dedicated team partners with communities to improve lives and create pathways to stability.

OUR PROGRAMS

Since 1991, Skyline CAP has delivered education and housing programs that strengthen family stability and support long-term economic security. Over the past year, these services expanded beyond our core service area to reach individuals and families in neighboring counties—including Fauquier, Page, Rappahannock, Shenandoah, and Warren—extending our impact across the region.

KEY HIGHLIGHTS

Secured \$2,120,605 in grant funding to strengthen education, housing, and family support services, directly benefitting more than 1,600 individuals.

Achieved a perfect financial audit for the 17th consecutive year, demonstrating strong fiscal stewardship and accountability.

Provided statewide leadership in early childhood education with the Skyline CAP CEO's reappointment to a 3-year term on the Governor's Early Childhood Commission, representing Community Action Agencies and Head Start programs across Virginia.

Expanded access to high-quality housing counseling as two staff members earned HUD Housing Counseling Certification.

Improved housing quality and operational efficiency by transitioning property management to experienced external partners, allowing staff to focus on core mission services.

Recognized as having the best Project Discovery program in the state by Project Discovery of Virginia.

Opened new office space in Madison County, creating a more accessible and welcoming hub for Housing and Human Resources services.
